AND CELLS CONTAINING SUCH A PLASMID

**TRANSMITTAL OF CERTIFICATE OF CORRECTION**

Commissioner for Patents  
Office of Patent Publication  
ATTN: Certificate of Correction Branch  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Transmitted herewith is a Certificate of Correction for the above-identified U.S. patent, correcting an error found in issued Claim 1 in column 37, line 24. Claim 1, as issued, included the words “comprises a,” which had been deleted upon the entry of the Examiner’s Amendment.

On December 21, 2009, a Notice of Allowance and Fees Due (PTOL-85) was issued by the U.S. Patent and Trademark office for the above-captioned application. The Notice of Allowance and Fees Due included a number of Examiner’s Amendments to the pending claims. However, the issued Claim 1 does not accurately reflect all of the Amendments. Specifically, the words “comprises a,” appearing in issued Claim 1 (previously pending as claim 27) had been deleted by the Examiner’s Amendment (*See* Notice of Allowance and Fees Due mailed 12/21/2009, page 2, Claim 27, 4<sup>th</sup> amendment).

Therefore, prompt issuance of a Certificate of Correction is respectfully requested. Because Applicants believe this Certificate of Correction results from an error within the Patent and Trademark Office, no fee is believed due. See MPEP § 1480. However, if such fee is due, the Commissioner is authorized to charge it to Deposit Account Number 50-2549.

Respectfully submitted,

Date: July 19, 2010

/Nada Jain/
